Dear Parents,

It has come to the attention of College staff that there may be some confusion regarding the uniform expectations for students. In response to this we have reviewed the Uniform expectations outlined in both the Parent Handbook and School Diary. Please take time to review the following Uniform expectations with your student and to ensure that your student is aware of, and following, these expectations from the onset of Term 3. Please note that any changes made to these expectations have not resulted in any extra cost for parents.

Students not complying with College Uniform expectations will result in application of and progression through the College Behaviour Management Process.
