From the Principal

I would like to begin by acknowledging the efforts of our fabulous Parents and Friends Association for their organisation of last weekend’s Family Fun Day! It was a great afternoon and the large number of families who came along definitely had a fantastic time. Mr Perrett and many of our Year 12 students also helped to make it a successful afternoon by setting up, running the games and supporting the younger children to get involved. In particular, I’d like to thank Suzanne Mungall for the hard work she put into planning the afternoon. We’ll definitely be looking forward to doing it all again next year.

Last week we held our first parent information evening for 2017. I was very pleased that a substantial number of parents were able to attend. Those that were there had the opportunity to hear about our strategic goals and our key priorities for the years ahead. It was a great chance for parents to ask questions and to seek clarification around a number of important issues relating to the education of their children. Opportunities like this are incredibly valuable as we are able to communicate clearly with each other as collaborative partners in the growth and development of our young people. If you would like any information about what was presented during the evening, don’t hesitate to contact us at the College.

This week there will be an important information session for the parents of our Year 9 students as we prepare to distribute their laptops. This is a compulsory session as students will not be provided with a laptop until the relevant Agreement has been explained and signed by parents. The evening also provides an opportunity for parents to ask questions about guiding young people safely through the digital world.

The College Swimming Carnival (for 10-19 year olds) is also being held this week. Parents are very welcome to come along for the day and support their children. Please ensure that you read the important organisational details explained later in this newsletter.

Morning Supervision of Students
Parents are reminded that no supervision is provided for students before 8:15am each morning. If it is necessary for you to bring your children to school before 8:15am, please direct them to the lower courtyard. Students should remain in the lower courtyard until the 8:15am bell rings. Only then are they permitted to take their bags to their classroom or locker areas.

Car Parking
Could I ask all parents to be aware of using appropriate parking zones, particularly during our busy drop off and pick up times. Parents should either use the Stop, Drop and Go Zone at the front of the College, or park in the empty block on the corner of Carinya and Kent Streets. Parents are asked not to park anywhere in the driveway outside our new secondary block, or on the College grounds. I am aware that the end of the school day can get very busy and congested at times, but I would urge you to always be patient and considerate of others as you collect your children.

Allergy Awareness
We have a number of students at our College who have very serious allergies, some of which can be potentially fatal. At Saint Mary’s we strive to provide a safe learning environment for all the young people in our care. In light of this, I strongly urge you to read Mrs Radcliffe’s article last week about our school procedures in this area.

God bless

Mrs Angela Myles
College Principal
Here we are week 3, and we are certainly back in the swing of things! A big thank you to the P & F for their Fun day on Saturday. It was wonderful to see so many families enjoying the water play and other fun activities. It was great to see so many of the older students who came along to help out on the day and have a bit of fun with Splat.

**Photo Day**
Photos are Friday 24th February. If your child does not have an envelope for photo day please ask your child to go to the office and get an envelope. Please have the correct money for the particular photo package that you wish to purchase. **Students are to be in full and correct formal uniform. All students will have their photo taken** so that we have photo ID for our data system and for the class photo.

**Uniform**
Students are to wear their formal uniform on Tuesdays. Students may wear their formal uniform every day except for the day they have sport or HPE. If your child has sport on Tuesday, they may wear their sport uniform on Tuesdays – unless specified e.g. formal school Mass.

**Down town or out of school grounds**
If your child is out of school grounds and wearing the Saint Mary’s uniform, then it must be the full and correct uniform, which includes shoes and socks not thongs or other footwear. Students are welcome to change (in the college toilets) into day clothes, at the end of the day, if going down town after school. Students wearing the college uniform, outside of school hours, are subject to the rules of the college. Students must have a note from the college, if in full school uniform, off school grounds and down town during the normal school day (secondary students). Primary students are usually collected by parents during the normal school day.

**HATS HATS HATS**
We have always been a sun safe school. However, we are now insisting on the wearing of the college hat at all times when not within four walls and a roof – to put it simply. I have been going into classrooms reminding students about the need to wear a hat (skin cancer etc) and that as of next week, there will be serious consequences for not wearing the (college) hat. Students Prep to Year 12 must wear a hat when transitioning from the classes, during morning tea and lunch, arriving before school wearing a hat, after school leaving with a hat, under shade cloth wear a hat etc. We are using this week as ‘amnesty’ to get used to wearing the hat at all times. The college staff will set the example and enforce the rule.

**Sun screen lotion**
We have sun screen available at the college. However, if your child has allergies or you wish your child to bring their own sun screen to school then please have it named and it will remain in the classroom and your child can apply the lotion before morning tea and lunch.

**Hot weather**
Your child is encouraged to have a water bottle in class at all times. Children are constantly reminded to stay hydrated and not to sit in full sun. Teachers are using water mist spray bottles and in some classes children are bringing face washers to school in order to stay cool on these extremely hot days.

**Swimming carnival**
Is this Thursday for students aged 10 years and older, who have returned their nomination forms with the parent’s signature. This consent also confirms the fact that their child can confidently swim 50 metres in one or more of the four swim strokes. Your child would have received a letter from Mr. Collier last week about this carnival. A primary teacher will accompany the students who will be attending the carnival. Students leave and return to school grounds in full and correct sport uniform and can change into house spirit colours at the pool. Students who leave the pool with parents are to speak directly with their child’s class teacher before taking the child from the aquatic centre.

As always, don’t hesitate to contact your child’s teacher, as your first port of call, if you have any questions or queries about any aspect of your child’s school life. If the class teacher can’t answer your questions, then they will direct you to the person best able to assist you with your enquiries.

Have a peaceful week and God bless you and keep you safe.

**Head of Secondary**

Welcome back to the students and parents for the 2017 school year. It is a tremendous honour and privilege for me to take up the position of Head of Secondary at Saint Mary’s College Kingaroy. I have been overwhelmed by the warm welcome I have received
from students, staff and parents. Saint Mary’s Catholic College has a fine reputation in the local community and in the broader community of schools which make up Brisbane Catholic Education. I am excited to be here and already have a sense of the tremendous energy in the College, the professionalism and caring nature of the staff and the enthusiastic attitude of the students.

I have come from a large P – 12 College in Brisbane and have extensive leadership experience in a variety of roles, but particularly in the areas of student well-being, curriculum, pastoral care, behaviour support and timetabling and I am looking forward to the challenges that lie ahead.

It is most important that all students start the year with a clear understanding of our expectations of them. All students will be expected to show commitment in the classroom and to their learning and respect toward the learning environment and those who are in it, both teachers and fellow students.

**Uniform**

Thank you for the support you provide the College by ensuring your student is dressed according to our uniform policy. Your support is appreciated. Uniform, hair and appearance guidelines are not in existence to stifle individuality but to assist in developing self-discipline increasing self-esteem and dignity, allowing growth and focus on learning. Students will be reminded and the guidelines enforced by the staff and the well-being team. As parents and teachers we are partners in your child’s education. For this partnership to be successful and enjoyable, regular, positive and meaningful communication is vitally important. You are encouraged to involve yourself in the school community and be active in this partnership as your child grows and learns. Please contact your child’s teachers as the need arises. If you wish to contact them by email, please direct an email to pkingaroy@bne.catholic.edu.au with the teacher’s name in the subject line. Alternatively you can ring the office.

To that end it was wonderful to meet parents at both the Parent Information evening last week where Mrs Myles outlined the College’s goals for the next year and also at the Family Fun-day organised by the P and F last Saturday.

**Family Fun Day**

Many thanks to all the parents, students and family members who attended these events, with a special thanks to Mrs Suzanne Mungall and helpers! It was heartening to see the large number of Year 12 students who supported the Family Fun Day and who not only organised the games for the students but also participated. Many Thanks to Mrs Mungall and her enthusiastic band of P and F helpers for their wonderful organisation. What a great day!

**Melanoma Awareness**

Last week, the senior students were addressed by Ms Annette Montebello from the Melanoma Awareness Foundation – an organisation based in Kingaroy. Today she addressed the whole College. Ms Montebello outlined the dangers of the sun and the effect sun exposure has on the skin and just how quickly damage to skin (in the form of melanomas) can occur. There are other formers of skin cancer but melanoma is the most serious.

**Hats**

As a consequence of this information, all students will now be expected to wear a hat whenever they are outdoors. This means on arrival at school, at morning tea, and at lunch, students MUST wear their hat. It will not matter whether students are in the shade of a building or under a tree, a hat will be essential for students to be wearing. The reason for this is that students spend a great deal of time wandering through the playground during break times and are consequently exposed to sun. If students are going to the Maryknoll Centre or the library during break times, they will be expected to have a hat on their head in order to enter these facilities. Students who don’t will be detained in a classroom. More information can be found at the following website: [https://www.melanomaawareness.org.au/](https://www.melanomaawareness.org.au/)

**Year 9 Laptops**

The Year 9 laptops have arrived and will be ready for distribution early next week. There will be a Parent Information session for Year 9 parents on Wednesday 8 February from 7 pm. Letters with details were distributed at the end of last week. Relevant documentation will be distributed during the evening. Students are welcome to attend with their parents.

**Swimming Carnival**

On Thursday of this week we have our College Swimming Carnival and we look forward to seeing the students from Years 7 – 12 enjoying themselves at the pool on Thursday. All students are expected to attend as it is a normal school day. Students should ensure that not only are they in their Sports uniform, but they also wear a hat as well as sunscreen, which they should reapply throughout the day. We will have sunscereen available for students to apply. Students are reminded that they should have a lock for their locker. It is disappointing to see the number of students who do not lock their lockers. The College will not be responsible for items stolen from unsecured lockers. I ask parents to ensure their students have a lock.

**Sickness and going home**

Parents and students are reminded of the procedure for a student who becomes ill whilst at school. The student is to report to Mrs Binding at Student Services in the office. Mrs Binding will assess the student and make a decision as to whether they should remain
in Sick bay or student services for a period of time or whether they should go home. If after that time they are no better, Mrs Binding will ring you (the parent/carer) to discuss the situation. Under no circumstance is the student to ring or text home. Would you please remind you student that this is our procedure.

Kind regards
Mrs Mandy Sullivan
Head of Secondary

Class Liturgies
Beginning in March every primary class will take part in a liturgy designed for them and with their input and presided over by Father Stephen Camiolo. Father Stephen has generously offered much of his time to be with the students and teachers in class liturgies. It will be a fabulous opportunity for students to engage in formal prayer and make that connection between our school and the Church.

Assembly Prayer Roster
All classes have been invited to lead the College community in prayer every fortnight at the College assemblies. The classes and their teachers will be supported by Mr Neil Hutton and Ms Megan Schick in preparing the prayer. Yesterday Yr 12 A kicked off the roster with a great dedication to Saint Josephine Bakhita. She was a person bought and sold in the slavery market in the late 1800’s and later gave her life to helping others. It was a sobering reflection on human trafficking and slavery but a story of resilience and one that unfortunately is still prevalent in some parts of the world. Year 12 student Chris Janz was joined by some of his class mates to deliver the reflection and prayer in a very reverent manner.

Meals on wheels and Orana
Yesterday Neil Hutton our Campus Minster advertised opportunities for student involvement in two important outreach ministries we have been a part of for many years. This is important work in the community and it offers students to be contribute to the well-being of others.

Opening College Mass
Next Tuesday 14th February, all families of the College are welcome to attend our commencement Mass. It will be father Stephen’s first whole school Mass and it is a special time in our school year to thank God for all our blessings, including a good education in a safe environment. As part of the Mass our new student leaders and the senior class pledge their commitment to the community, a great tradition that serves to keep our student leaders on track and focussed. So far the ‘buy in’ from this year 12 group has been incredible, with great numbers contributing to the family fun day last weekend and volunteering for all that’s on offer.

Kind regards
Mr Martin Perrett

Office News

Student Absence Phone Line (4160 0950) – This is a 24 hour service available to all parents, carers and guardians to report a student’s absence. If your child or children are going to be absent from the College you don’t need to wait until the office opens to report same. Just call 4160 0950 and leave your name, the student’s name and why the student is away (eg. Ill or personal / family reasons.) Office staff regularly check this line, throughout the day, so it can also be used when the College office is open, instead of ringing general reception. Please save 4160 0950 into your mobile phones, along with the general College number.

Term 1 Fee Statements
Term 1 College Fee Statements will be processed this week and emailed out to all families who have provided a valid email to the College. The due date for payment of Term 1 Fees is Friday 24th February unless you have a formal payment arrangement in place with the College. If you have not provided an email address, statements will be posted. If you wish to check your details or update your email, please log onto the School Portal or contact the College office.

Families without a direct debit in place and wishing to use this payment method should contact the office immediately to start instalments now. The longer the period over which instalments are spread, the smaller the instalment amount. While the College will accept payments by instalment, we do need to know the amount and timing of these payments and our preferred payment method is BPAY or Direct Debit.

Orana Aged Care Visits
Saint Mary’s Catholic College has always been eager to be involved in the local community and as part of our outreach program we have initiated a community service activity every second Thursday afternoon after school between 3.15pm and 4.15pm. This year Mrs Kellie Crane from Orana Aged Care Centre has organised activities for the residents and students.

For students living north of Kingaroy wishing to be involved, there is a College bus running to Wondai, Murgon and Cherbourg. The Community Outreach students can also access this service. This leaves the College at 4.15pm.

For further information please contact the College office or Mr Hutton during school hours.

Meals on Wheels
Every month the College helps out the Kingaroy Meals on Wheels group by supplying two students to help deliver meals to the homes of their clients. Students from Years 9, 10, 11 and 12 are invited to participate in this community endeavour. Students will always be in pairs and always in the company of a staff member or Meals on Wheels volunteer. We will be rostered once a month.

For further information please contact the College office or Mr Hutton during school hours.

Kind regards
Mr Neil Hutton
Campus Minister
I love to visit students in their classes throughout the day, which gives me the opportunity to see what the students are up to in class. Throughout the week I visited the year 2s and it happened to be during their religion class; they were painting ‘what prayer looks like to them’. As I walked around I saw them painting beautiful realities of prayer and what happens when we spend time with Jesus in prayer. One painting was of a little girl standing in a meadow full of flowers with the sun beaming on her face. I was quickly reminded of psalm 23 “Yahweh is my shepherd, I lack nothing. In meadows of green grass he lets me lie. To the waters of repose he leads me; there he revives my soul.” Another painting was of Jesus walking on water and another of three people coming to the cross with light shining from the cross upon them. I was encouraged by the children and their understanding of prayer.

**Men n Books**
Beginning this Wednesday a reading initiative called **Men n Books** will commence. This initiative is credited to a colleague, from a previous school, who came to me with this great idea about providing children with male role models in reading books. The Men n Books initiative will happen after the eating time at Morning Tea each Wednesday and will be held at the Readers Theatre located in the Resource Centre. Men n Books provides the opportunity for students to listen to books being read by male staff from the College. This Wednesday we begin with Mr John Dalton, Assistant Principal who will be reading a funny book about dogs.

**WORLD READ ALOUD DAY**
World Read Aloud Day will be held on Thursday 16th February 2017. It is a day that globally motivates children, teens, and adults to celebrate the power of words. World Read Aloud day asks everyone to celebrate the day by grabbing a book, finding an audience and reading out loud. The library lesson times with the primary classes next week will reflect the aims of this day.

**Friday Specials**
Available both Morning Tea and Lunch
Hot Dog with Cheese and Sauce - $4.00
Chicken Ceasar Salad - $4.00

**Volunteers**
If you would like to volunteer at the Tuckshop, you can do so by calling on Monday, Wednesday and Friday to discuss how to volunteer.

**2017 Tuckshop Menu**
Please ensure that you have the current 2017 Menu. There are a few price changes. If you have misplaced your menu, they are available from the College Website, Parent Portal and College office.

**Donation of Goods**
If you are able to donate any of the following items during the year, it would be greatly appreciated. Below are the main ingredients we use, however, any donations are more than welcome.

realise your dignity
These can be dropped into the Tuckshop on Monday, Wednesday and Friday or to the College office.

**Ordering and Payment**

We now have two options for ordering, online and the paper bag system. For Prep to Year 5 students, it is recommended that you use one of these systems.

Year 6 to Year 12 students are more than welcome to use either system. If using the paper bag system, students place their bag orders at the tuckshop before school.

**Online Ordering System QKR (Quicker):** Your child’s online order will be sent to the tuckshop, where it will be printed out. The orders are filled and placed in the class baskets. Their baskets are collected at morning tea and lunch. **You are not required to send in a paper bag once you have ordered online.**

**Paper Bag System:** Your child’s order will be placed in the tuckshop baskets in their classroom in the mornings. The baskets are delivered to the tuckshop and orders are filled. Their baskets are collected at morning tea and lunch. Please do not use sticky tape or staples when using paper bags for ordering. It makes it difficult to get the bags undone without tearing. **Plastic bags are not suitable for ordering,** it is very difficult to place your child’s order inside them. Bags can be purchased from the tuckshop for .05c each.

**Ordering Slush Puppies or Iceblocks**

When you order a Slush Puppie or Iceblock through the online or bag system your child needs to come back to the tuckshop to collect same. They can collect Slush Puppies at any time. Iceblocks can only be collected after the 10 minute bell. **Your child must have their tuckshop bag with them to collect these items.**

**Do you know…..**

That we sell Salad Boxes at 2nd Break. You can order a small ($3.50) or a large ($5.00). Add Ham or Chicken for an extra dollar. Made fresh, just how you like it, everyday.

Have a great week!

**P&F News**

Well what a wonderful turn out for our first event of the school year!

Thank you to all the families who came and enjoyed the afternoon together. Please make sure you tell your friends what a great time you had at our Family Fun Day. Hopefully we can attract even more families next year.

realise your dignity
To the lady who pulled the event together, Suzanne Mungall, a huge thank you to you and your volunteers. The day would not have been possible without your hard work.

Also thank you to the year 12 students who came and volunteered on the day and to the teachers who also supported the P & F and the school.

Without all these wonderful people, we would not have the beautiful school community we have.

Our next P & F meeting is on the 21st of February at 7.00pm in the staff room, please join us for the evening.

If you would like to contact me my number is 0419 766 141 or email sbrobbo@gmail.com.

**Working Bee** around the grounds of St Mary’s Church - please keep Saturday, 11th February free to lend a hand. There are always lots of jobs, and after the reasonable amount of rain we can add a few more to that list. Please **BYO** hat, sunscreen, water bottle and any garden tools you think may assist. There will be inside jobs as well. Please give Kay a call if you have any queries on 4162 4214.

**Mowing Roster** Another volunteer is still needed to join the mowing roster ASAP. We lost a few willing workers due to transfers at the end of 2016. In summer months this would mean a commitment of about an 1hr/1.5hrs per month and much less over winter. Please give Kay a call on 4162 4214.
