#### Rock on Stage

What a fabulous night we had last Friday at Rock on Stage! What impresses me most about this event is the genuine enthusiasm that students show in their performances and their eagerness to participate each year. I have never seen an event quite like this one in any school I have worked in. It is a truly joyous occasion where teachers, students, parents, grandparents and extended family are all keenly involved. We even had quite a substantial cohort of ex-students turn up to watch the performances this year, which is a true indication of how people feel about this evening. Congratulations to all the staff, parents and students who prepared for and participated this year's Rock on Stage. We'll look forward to another fantastic event in 2018.

#### Relay for Life

Relay For Life is a fun and moving overnight experience that raises vital funds for the Cancer Council's research, prevention and support services. This year it is being held at the Kingaroy Showgrounds on 7-8 October. Although Saint Mary's has entered student teams in the past, this year we have decided to support the Relay in a different way. We are aware that several of our families enter the relay as small teams. If you are doing so this year, could I ask that you contact myself or Marty Perrett at the College so we can discuss the kinds of support we can offer.

#### School TV

This is just a reminder about this new resource which I mentioned in last week's newsletter.

**SchoolTV** is a world first, wellbeing platform featuring Dr Michael Carr-Gregg. It addresses the modern-day realities faced by schools and parents who increasingly need clear, relevant and fact-based information around raising safe, happy and resilient young people.

Whilst there is a great deal of information available, this can often be confusing and overwhelming for parents looking for guidance. SchoolTV addresses this issue. It is an **online resource designed to empower parents with credible, sound information and with realistic and practical strategies.**

Parents of Saint Mary's students now have access to information on individual topics, with new ideas being explored each month. To gain access to SchoolTV, all you need to do is go to the following link. There you will find information about the resource and also about the experts who contribute each month. You can then click on the **'Launch SchoolTV'** link to access the extensive range of resources.

### **Rock on Stage**

Last Friday night, the College held its annual Rock on Stage gala performance. This event begins our Catholic Education week celebrations. Rock on Stage is held each year not only to build community spirit but also to raise funds for the Bacolod Kindergarten in the Philippines. The College has sponsored this kindy for many years.

And what talent there is at the College. From Prep to Year 12 the year level performances were brilliant. Beautifully choreographed by students and teachers alike, the students have enjoyed themselves preparing for the event over the past 2 weeks and it came together beautifully.

The parents also contributed a very witty skit about the bringing up of children to the tune of 'Parody of Queens Bohemian Rhapsody AKA Moms Rhapsody'. What talented parents we have!! This was up against a colourful performance of an Olympic Games from the staff.

The winners in the various divisions were:

- Prep – Year 2: Year 2 Performance
- Years 3 – 6: Year 6
- Years 7 – 9: a tie between Years 8 and 9
- Years 10 – 12: Year 12
- Parents vs staff: Parents

Many Thanks to the parents who attended, supporting their students, the staff and also the Bacolod Kindy. Thanks to the **P and F** for organising sausages and pizza so that all were well fed. Congratulations to Mrs Jill Wheeler for winning the raffle.

### **Years 11 and 12**

Just a reminder to all students in Years 11 and 12 that in keeping with Queensland Curriculum and Assessment Authority guidelines, all students must have a Medical Certificate if they are absent from assessment or are unable to hand in assessment on the due date. They will then be granted an extension or permitted to sit the exam later – as soon as they are better. The guidelines written by QCAA ensure that all assessment completed by students is completed under equitable conditions. If there is a bereavement in the family, students are also eligible to apply for an extension. Students should see Mr Dunbrack to apply for an extension.

### **Dates:**

- Year 12 QCS Test: Tuesday 29 and Wednesday 30 August
- Years 11 and 12 Exam Block: Friday 1 September – Friday 8 September
- Year 10, 11 and 12 Careers Expo: Thursday 27 July

Kind regards

### **'Sharing the Journey' - Catholic Education Week- July 23 – 29**

Yesterday on assembly some Yr 11 students narrated an adaptation of Luke's gospel story, The Road to Emmaus. The story is a curious one that has two disciples realise they had an encounter with the risen Jesus but only after he had left them.

There is an important message in this piece of scripture; we often don't see or appreciate things that are going on right in front of our eyes. The story reinforces the incarnational message that God is not just a far-off superpower that we go to in times of need, God is in everything that is good. More importantly God is part of the human condition because Jesus was human and invited us to His table of human fellowship.

I would hope that every student who graduates with a Catholic Education, can see more of the wonders of God (good) around them; in others, in nature and in themselves, Realising their Dignity.

### **Crafty Kids Club**

Last Tuesday, Mrs Lisa Atkinson, school officer and a student, Bella Burnage came to Community BBQ to offer all the patrons a free beanie. These were knitted by students from the craft kids club and Mrs Atkinson over many months.

This club is aimed at students from Year 3 and over who wish to learn some new craft skills. The main objective is that whatever they make will be donated back to the community.

*realise your dignity*

They are going to have a change of activities for Terms 3 and 4 where they will be making Christmas Wreaths and cards that will be given to the elderly and sick.

If you have any materials that you no longer need and would like to donate them to this club, please drop them into the school office. These Christmas Wreaths will be made out of felt, wool, beads, buttons, fabric and whatever other materials we can get our hands on.

### **Year 6 Corporal Works of Mercy**

Late last term the Year 6 Religion classes, guided by Mrs Johnston and Ms O'Connor, prepared and served hot meals at the monthly Community BBQ called Danny's Diner. The students were studying what Corporal Works of Mercy are and then decided that the best way to understand the service was to participate in one. I know the patrons at that meal loved all the home cooking.

I would like to thank the Crafty Kids and the Year 6 classes for their generous work and for opening their eyes, ears and hearts to others.

Kind regards

**Mr Martin Perrett**

### *A note from the Executive Director*

Recently the Minister for Education, Tourism, Major Events and the Commonwealth Games, Kate Jones, announced a change to Education Queensland's school holidays and professional development days for 2018.

The Minister advised that the Easter school holiday period will be extended by 1 day for students and school will not start until Tuesday 17 April 2018. The term dates for all BCE schools and colleges will also change for 2018. It is important to provide this advice to school communities so that families and schools can plan.

This change is the result of transport requirements for the Commonwealth Games and subsequent bus availability for the start of term 2, 2018.

The extension of the school holiday period for students will provide an opportunity for school staff to participate in an additional professional development and planning (PDP) day. Monday 16 April 2018 will be designated as an additional, fixed PDP day. This will allow schools to focus on their Excellent Learning and Teaching Moving Forward goals and for secondary schools to focus on senior schooling curriculum implementation.

### **Catholic Education Week**

*My reflection on "Sharing the journey"*

The theme of Catholic Education week is inspired by the story of The Road to Emmaus where two disciples are greeted by the risen Christ under the appearance of first a stranger and then bread. This story is a challenge because as a Catholic I am called to see Jesus in all those I meet, especially in those who are "strangers" to me (those I struggle to like, or get along with or don't understand) and I am invited to see Jesus in the Eucharist (under the appearance of bread at Mass). Four years ago I visited Paris on my own, I was there for 3 amazing days of sight – seeing and eating delicious bread and pastry. It was also the start of a journey of the heart that I hadn't taken before. I remember one day I felt I needed to walk without a map and to see where my feet would take me, it was incredible because I got to see humble churches and alley ways with old ladies hanging washing out of their windows, I got to see the ordinary life of Paris. I kept walking and accidentally stumbled upon the Cathedral Sacre Coeur, I couldn't believe my feet led me there I was so excited to see it and was eager to walk around and view the beauty of this amazing Cathedral. I noticed, on my way, a man sitting on the gutter, he had no legs, was very dirty, was alone with a little hat beside him, he was begging for money. I walked away from him to go on my Cathedral adventure, I walked through the door and heard in the depths of my heart "He is more beautiful to me". I turned around and sat beside the man dwelling on the love that Christ had for him. This was Jesus. This was what Jesus meant when he said "whoever did this to the least of these did also to me." I don't have these moments all the time and I struggle every day with this challenge but through the story of the road to Emmaus I am encouraged that as Jesus took the time to walk with the two disciples who at first didn't "see". He will also walk with me and burn in my heart until I also can "see" Jesus in my stranger.

God bless

### **Poetry Mentoring Group**

I am pleased to announce that the participating students who entered a poem into the Dorothea MacKellar Poetry Awards will be given the opportunity to recite their poem this Thursday to an audience of invited guests. It is important that our students have this opportunity to share their poetry to others.

### **Chess Tournament**

Saint Mary's Catholic College has been hosting a chess tournament and will conclude this Friday after seven rounds of competition. Twenty-eight students registered to compete and it has been a delight to watch the games so far. After this tournament the two top-ranked secondary and the two top-ranked primary students will be invited to play against four staff members next week.

## *STJE News*

Last week Mr. John Dalton and I were very fortunate to attend the 4-day World Council for Gifted and Talented Children's Biennial World Conference in Sydney. The theme of this year's conference was Global Perspectives in Gifted Education. The event was an opportunity for researchers, teachers, parents, and other stakeholders to gather from around the world to discuss the vital matters, issues, and concerns that impact the field of gifted education and gifted and talented children. We were pleased to learn that the direction Saint Mary's is heading with our gifted and talented education was positively reflected throughout the global education community.

### **St Mary MacKillop Rehearsal**

Last week, five of our upper primary students and four students from St Joseph's Catholic Primary School, Murgon, participated in a combined BCE schools choir rehearsal at St Laurence's College. This event prepares the students to be part of a very special Mass celebrating the Feast Day of St Mary MacKillop at St Stephen's Cathedral in August. Dr Anthony Young from St Laurence's College directed the rehearsal, and the students did a wonderful job of listening and singing. This is the third year our College has been invited to participate, and each year, our students grow in confidence. It is exciting to be combining with St Joseph's for this event, and I thank my colleague, Ms Claire Dennis at St Joseph's, for her organisational support.

### **Music Tuition Program News**

One of our region's most respected piano teachers, Mrs Jo Town, is joining our team of Music Tutors this term. If you would like your son or daughter to receive weekly piano lessons with Mrs Town, please contact the College office for an enrolment form. Mrs Nadine Smith begins lessons next week, and has contacted her students' families about lesson times. If students or families have any questions regarding scheduled lessons, or are aware of any approaching absences, please contact your Tutor directly. For all enrolments, please collect a form from the College office and follow the process outlined on the form.

### **Date Claimer! - Visiting Singing Specialist Teacher, Mrs Julee-Anne Bell**

In response to the strong demand for singing lessons, I have arranged for Mrs Julee-Anne Bell to visit the College at regular intervals. Mrs Bell has a Bachelor of Music (first-class honours) and a Masters degree majoring in Choral conducting and aural skills (University of Queensland). She has sung with Opera Queensland and the IHOS opera company in Australia and Asia. Mrs Bell is blind, and is a leader in the field of echo-location. She has been featured on the SBS Insight program, and was an advisor for the ABC series "You Can't Ask That" focusing on people with visual impairment. She is an accomplished pianist, and is an experienced teacher of children and adults. Please contact the College office if you would like more information about booking a lesson with Mrs Bell. There are a

couple of places left on Sunday 5 August.

### ***The Wizard of Oz – August***

Tickets to the South Burnett Musical Comedy Society production of The Wizard of Oz are available now through TryBooking.com. Do not miss this opportunity to visit the merry old land of Oz!

### ***Musical Theatre Workshop – Sunday 10 September***

The Australian National Association of Teachers of Singing (ANATS) has arranged a full-day workshop for singing teachers and students at Sunshine Coast Grammar School. In this intensive session, the different stylistic expectations of all Musical Theatre styles will be explored and Good Singing principles applied in a Masterclass setting, led by Head of Musical Theatre (Qld Conservatorium of Music, Griffith University), Kate Schirmer. I encourage families to take their sons and daughters with an interest in Musical Theatre to this event. Please go to [anats.org.au](http://anats.org.au) for more information.

## *Creative Generations 2017*

This year Saint Mary's has three wonderful artworks entered into the statewide Creative Generations competitions for senior Art students. These pieces will be on display at the Toowoomba Regional Gallery for the month of August with the winning artworks going on to GOMA in Brisbane after that.

Daikin Donovan's painting 'Men Can Cry' is acrylic paint on canvas. "As a young man I am insecure like everyone else in my age group. We all pretend to be strong but deep down inside we are all insecure. "Men Can Cry" shows this insecurity through the uncomfortable depiction of a young black man crying. In addition I wanted it to show that men in this day and age are taught to suppress their emotions. I tried to create an image that shows my beliefs on this topic."

Miranda Blackman's artwork, 'Tradition keeps me strong' is also acrylic paint on canvas. "Black lives matter to me. I am a young aboriginal woman and I love my family with every part of me and want the best life for my little brothers and sisters. I want a future for me and them that respects our traditions and stories. I want a future without racism, without fear and without violence. My traditional painting connects me to my elders and my land."

'The Helmet that Shaped the Nation,' is a sculpture by Mikaila Schloss. It is carved out of a single piece of petrified wood, "The helmet that shaped the nation is a piece inspired by the mining industry of Australia. This piece is designed around the material of petrified wood, a material that can be found 30 metres below surface. I felt as though the piece would be considered more expressive if the material reflected the idea. The industry provided me with inspiration due to its impact and importance in several aspects of today's society and employment opportunities. I was strongly influenced to create this piece due to my father's occupation and wanted to create a piece for him."

This is Queensland's most prestigious high school art competition and we wish the entrants all the best of luck.
