## Explanation of Tuition Fees and Levies

**Capital Levy** This is a compulsory levy charged per family. It is used to support the Capital Loan repayments and minor capital projects for land and buildings. This levy is **not** tax deductible.

**P&F Levy** This levy is collected on behalf of the Saint Mary's Catholic College P&F Association. It is used to fund various projects around the school, improving facilities for students.

**Tuition Fees** These fees are calculated based on recommendations of Brisbane Catholic Education. Included in this fee is an Archdiocesan Education levy. This fee is remitted centrally to Brisbane Catholic Education, which provides shared resources to all schools within the Archdiocese. This is a vital investment in the future of schooling with the Archdiocese. The balance of school fees are used to cover the everyday running/maintenance expenses of the College.

**ICT Levy** The ICT (Information & Communications Technology) Levy contributes towards software licensing, internet charges, provision of hardware and audio visual needs across the College including the 1:1 Laptop Program for Secondary Students and class sets of iPads for Primary Students.

**General & Subject Levies** The General Levy incorporates costs such as Camps, Excursions, Reflection Days, Sporting Carnivals, Arts Councils, Student Diaries, Class Consumables, including Consumable Workbooks and Class Book List items, Reading & Maths Programs, etc. Subject Levies assist to cover the costs of specific subject areas. These costs vary depending on the nature of the subjects being taught. Subject Levies for Year levels 7 to 12 are listed next to the General Levy. However please note that some elective subjects will attract an additional levy, and these are shown under the Elective Subject Levies heading and apply only to students in Year levels 9 to 12.

### How to calculate your Family's Fees.

To calculate your family's fees, you need to start with your eldest child. For example, if you have 3 children in Year 12, 8 and Prep, you will need to add costs listed below:

Eldest Child Yr11-12 Tuition Fees & Family Levies	\$3,206.00
Second Child Yr7-8 Tuition Fees	\$1,342.80
Third Child Prep-Year 6 Tuition Fees	\$393.40
ICT, General and Subject Levies Year 12	\$1,170.00
ICT, General and Subject Levies Year 8	\$1,355.00
ICT, General and Subject Levies Year Prep	\$600.00
<b>Yearly Total (excluding elective subject levies)</b>	<b>\$8,067.20</b>
<b>Per Term Total (excluding elective subject levies)</b>	<b>\$2,016.80</b>

Depending on what elective subjects your child/ren has chosen, additional elective subject levies may be billed to your account. Not all elective subjects have levies attached.

If you have five or more children, then levies only apply to the fifth child and to any additional children after the fifth. Tuition Fees are 100% discounted for these children.

The P&F and Capital Levies are a family-based levy and are not applied per student but per family. In the incidences of split billing arrangements these family costs are shared, not charged twice.

### Enrolment Confirmation Fee

Families are required to pay a non-refundable Enrolment Confirmation Fee of \$100 per student or \$150 per family upon acceptance of a place offered at the College. There is no charge to make an enrolment application to the College.

### Sibling Discounts for Linked Catholic Schools

Families who have students at another Catholic school in the South Burnett will continue to receive a discount under the Sibling Discount Scheme. Below is a table setting out the fee discounts as they will apply at Saint Mary's for 2022. Eligible Schools are: St Patrick's Nanango and St Joseph's Murgon.

Please note, this discount only applies to Tuition Fees. It does not apply to the Capital, P&F, ICT, General or Subject Levies.

Siblings in Other Catholic Schools				
None	One	Two	Three	Four
0%	5%	10%	20%	40%

Please advise the office if you are eligible for this discount. A notification form will need to be completed.

### 5% Early Payment Discount if Fees & Levies paid by 31<sup>st</sup> January 2022

An early payment discount of 5% on the Tuition Fees will be applied to the account if the full year's Fees and Levies are paid in advance at the commencement of the year. The payments need to be made and received by the College in 2021 or in 2022 before 31<sup>st</sup> January 2022. Please contact the Office for assistance with calculating your full year's account if needed. Please note Term 1 invoices will not be issued until early February so please do not wait for the term invoice if interested in claiming the early payment discount.

### Bus Fare Assistance Program (BFAP)

**Parent contribution (to be charged to account)** - this is the weekly family threshold amount. This is not your full weekly bus fares. For families travelling on College bus runs operated by Pursers Buses, the College pays the bus fares to the Bus Operator and then claims the Non-State Schools Transport Assistance Scheme (NSSTAS) subsidy on your behalf. e.g. full family weekly fares are \$120. We pay Bus Operator \$120, claim \$80 from the NSSTAS and charge the balance to your account, being the threshold amount of \$40.

*If you have students attending another non-state school and are claiming BFAP at this school as well, please let the office know as only one family threshold applies.*

#### **Weekly Family Bus Fare Threshold - Semester 1, 2022 (set by BFAP not the College)**

- \$45/family per week - **College will subsidise back to the 2021 rate of \$40/family per week.**
- \$35/family per week for Concession Card holders - **College will subsidise back to the 2021 rate of \$30/family per week.**

### Uniform Shop

The uniform shop accepts payments of cash, cheque and credit card at the time of purchase. Families often enquire if uniforms can be charged to their account.

This option is only available by special request and will only be considered in circumstances where the family account is in credit due to overpayments or advance payments. Advance payments for which the yearly 5% discount has been given are not able to then be re-used for Uniform purchases.

## Collection Policy

The following guidelines are issued by Brisbane Catholic Education and reflected the College's Fee Policy, a copy of which is on the College website:

- \* On expiry of the due date, a reminder notice is sent.
- \* If suitable response is not received a reminder letter is sent out.
- \* If there are no obvious extenuating circumstances, the Principal or designated person may warn the family that the collection process will begin.
- \* If, after this, no satisfactory arrangements have been reached and there appears to be no workable solution, then the account may be sent to a collection agency and additional charges will be incurred. All negotiations for payment must then be made through the debt collection agency.

Should you have any further queries, on any aspect of fees or the fee process, please feel free to contact the Finance Secretary or Business Manager on 4160 0900.

## Payment Terms & Payment Options

With the exception of Term 1 School fees and levies are charged and emailed/mailed by the end of the first week of the new term and are due for payment by the end of the second week of the term. Payments can be made by any of the following options: Cash, cheque, EFTPOS, Direct Debit, BPAY, Centrelink deductions, Credit Cards and Bank Deposits are accepted. Preferred methods of payment are BPAY or Direct Debit.

### Direct Debit

To spread the costs of your fees over the year, we offer a direct debit system, whereby an amount is deducted from your bank account. A similar arrangement can be done via Centrelink. Please ask the College office for more information.

### Difficulty Paying

It is important to contact the College if you are unable to pay your fees by the due date. It has always been our policy to assist parents who may be experiencing any difficulties in meeting fee obligations. By contacting the Finance Secretary or Business Manager as early as possible, this allows us to come to an arrangement before circumstances become more difficult.

## Fee Concessions

No family should endure unreasonable financial hardship because of school fees. Any reduction in fees should be looked at in terms of:

- \* Financial needs of the family
- \* Responsibility to full fee-paying parents
- \* Efforts made in paying the fees

Fee Concessions are generally based on an income assessment and families applying are required to provide the College with proof of weekly income from wages, Centrelink and any other income sources that may apply. Concessions are only applied to Tuition Fees. Levies must be paid in full and a direct debit arrangement is put in place to cover the remaining parent component.

If you believe you may be eligible for a concession on School Fees, please contact the College office or visit our College website at [www.saintmarys.qld.edu.au](http://www.saintmarys.qld.edu.au) for an application form. An appointment with the Finance Secretary or Business Manager will be arranged once a completed application with all supporting documentation is received. Concessions are required to be applied for at the end of the College year for the following year. Only in special circumstances (eg. Family circumstances have changed) will mid-year concessions be considered so it is essential that if you need support you apply now for 2022.
