How often today do we hear young people described as being ‘wrapped in cotton-wool’ to protect them from the world? Sadly, this all too common situation means that many young people lack the persistence necessary to keep going when things get tough and they give up at the very first hurdle. That is why teaching students to develop grit is important. The following extract comes from an article by Steve Francis MScM, BEd, DipT and discusses some useful tips for building resilience in young people.

What is grit? According to Angela Duckworth, Associate Professor of Psychology at University of Pennsylvania, ‘Grit is a disposition to pursue very long-term goals with passion and perseverance.’ The research on grit is compelling. Students with high levels of grit are more successful. However according to Duckworth, grit is as much a personality trait as it is a learned behaviour. For some students developing grit is easier than for others.

Teaching grit fits well with Dr Carol Dweck’s concept of encouraging a growth mindset instead of a fixed mindset. According to Duckworth and Dweck real success does not necessarily correlate with intellectual ability. It requires hard work, determination, and self-control – so-called non-cognitive traits that enable students to reach their full potential. Real growth happens when students work at the edge of their competence. Students who are not challenged lose out on the sense of confidence that comes from mastering a challenge and they may come to believe that accomplishment should be effortless.

However, it is important to get the balance right between struggle and frustration. Overcoming barriers can quickly turn to frustration if the student doesn’t have the prerequisite skills, the learning leap is too far or they don’t make the connection between their prior learning and the new learning situation they are facing. It takes time, persistence and some experimenting to plan rich learning opportunities that challenge but don’t frustrate students.

We can help students develop grit and a growth mindset by:

Praising the behaviour you want to see – recognise when students are struggling and praise their persistence. Instead of praising intelligence and saying ‘You are so smart’, praise the behaviour you want to see, ‘You tried really hard on that!’ or ‘You didn’t give up even when it was hard!”

Not accepting ‘I don’t know’ as an answer. Encourage young people to have a go and take a risk.

Letting students know that learning involves struggle - Too many students equate struggle with stupidity; they think that feeling confused or overwhelmed during a lesson means that it’s too difficult. However, confusion and struggle are a natural and necessary part of true learning, and learning to accept struggle as part of the process can help students stick with lessons when the going gets tough.

Encouraging self-awareness – help students to become aware of their self-talk (that little voice inside our heads). The first step in replacing thought patterns or self-talk that are not helping us is to become aware of them. Self-awareness is an important component of emotional intelligence.

Providing and promoting alternative language to support students when they feel challenged. Instead of saying “It’s too hard!” – try replacing it with “This is a tough one but I’m determined it won’t beat me!” OR “This might take work but it’s worth it!”
Instead of allowing young people to give up by saying “I’m not good at this” – encourage them to try adding “Yet!” to their statement so it becomes “I’m not good at this … yet”.

God Bless

Mrs Angela Myles
College Principal

Head of Primary News

Welcome
We welcome Tracy Robinson on board as the Year 5 teacher for the rest of Term 4. This will provide more stability in the Year 5 classroom as we head towards the end of 2016. We keep Mrs Katie Mangan in our prayers, for a full recovery back to good health.

Swimming
Thank you to the parents who are sending in the forms to help out with the water familiarisation sessions in Week 5 and Week 6. Please complete the yellow form if you are intending to help out. This can be returned to the office. Also, please remember to circle which time you will be able to help at the pool. Thank you for supporting our students. Please remember the swim caps. Students are not permitted in the water without a swim cap (Brisbane Catholic Education BCE mandate).

The program is different this year as we move from swimming lessons to water familiarisation and water safety for students Prep to Year 6. With the hot weather fast approaching the covered pool of the Nanango aquatic centre will be much appreciated. This is also of great benefit if the weather changes and we have wet weather.

Swimming lessons have been a big part of Saint Mary’s primary sport over the past 10 years or so. In the past, when our numbers were small, and the health and safety regulations were not as strict as they are today, teachers were taking their own classes for swimming lessons, getting in the water etc. More recently, we have had Mrs Jenny Lutz an experienced and qualified swim coach, employed at Saint Mary’s as a school officer, prepare lessons and teach swimming to the children Prep-6.

However, Mrs Lutz is no longer able to provide the services of a swim coach over that extended period of time (all day, every day for ten days) to 250 students. Increased numbers, more mandated regulations of WHS and BCE have meant if swimming is taught, then the services of a qualified swim coach need to be employed. Swim coaches cost between $35 and $45 per hour. As you can imagine the costs skyrocket to pay a swim coach to teach swimming to 250 children all day, every day over eight to ten days.

Ultimately, though, we are directed by and begin with the school curriculum documents. It is not mandated that swimming strokes be taught to students Prep to Year 6. With more concepts having to be taught across the 9 key learning areas it is not required (or cost effective) to offer swimming lessons daily for 8 days or weekly for eight weeks.

If there is a specific swimming lesson as part of a specific PE unit, (relating more to secondary) the PE teacher, if a qualified swim coach, can direct that specific lesson.

There will be a Parent Volunteer Session with Mr Turnbull on Wednesday, 19th October from 9am in the College Boardroom. Parents need to have completed this session to be able to volunteer at the College.

Prep to Year 6 Assemblies
Our P-6 assemblies are now in the bottom courtyard on Fridays. This now starts at 2.25pm. The final school bell goes at 2.55pm. Children will bring their bags down to assembly and leave from the courtyard.

Enjoy the final 8 weeks of this term and then like Mr. Finnegan we ‘begin again’ in 2017. It’s a very busy term culminating in our Christmas Concert on the Thursday evening of the last week of school.

Take care
Ms Pam Radcliffe
Head of Primary

Head of Secondary News

Presentation Night – Thursday, 27th October
The Annual Awards Night will be held on Thursday, 27th October in the Maryknoll Centre from 6pm to 9pm.
Awards for Prep to Year 6 will be presented first followed by Year 7 to Year 12 Academic and Sporting Awards. Major Awards will be given, followed by a light supper.

All students receiving an award will receive an email informing parents that they are required to attend.

The details of the awards are not given as it dilutes the sense of expectation surrounding either Academic, Sporting or Major Awards.

If you have any queries or cannot attend, please inform the College office on 4160 0900.

Kind regards
Mr Sean Erwin
Head of Secondary

Equestrian News

Jayde Novak has again performed very well at the Australian Interstate School Equestrian championships.

In addition to being the Vice-Captain of the Queensland Team, Jayde competed in Sydney in a variety of events, including Dressage and Hack Show Horse.

Riding her beautiful chestnut horse Ollie, Jayde came 6th in Australia in Show Horse, and 7th in Dressage, with the Queensland Team coming 3rd overall.

It was a great effort for Jayde and Ollie, who had to overcome the many difficulties associated with so many horses and riders confined to the competition area for a full week in Sydney.

Congratulations Jayde.

Kind regards
Mr John Dalton
APA

Adore for 24
Dear Parents,

From Wednesday 19th to midday Thursday 20th of October the School will lead the students in Eucharistic adoration over a period of 24 hours. Each class will have half hour sessions which in which there will be scriptural meditations, reflection times and silent prayer. Adore 24 will take place at Saint Mary’s Church on Albert Street and the students will walk down under the supervision of their class teacher.

Adoration is an ancient Catholic tradition that continues to this day. It is a time where the Blessed Sacrament (the host) that is consecrated at the Mass is exposed in a monstrance and placed on the altar. It is a chance to be still before our Lord. This links in with St Benedict’s invitation to “listen with the ears of our heart” to the voice of our Lord. St John Paul II prayed for an increase in the devotion when he asked priests, religious and lay people “to continue and redouble their efforts to teach the younger generations” the meaning and value of Eucharistic adoration. Brisbane Catholic Education’s RE curriculum document says: a true test of a school’s authenticity or authentic identity and culture is to the extent which the Church is present at the school and the school is present at the church.

How Adore for 24 at St Mary’s will look, each year level will walk to the church and back and fill in the following hours.

</table>

The Eucharist will remain exposed throughout the afternoon and night; parishioners will fill in these hours. Students are also invited to come back after school if they wish to spend extra time in adoration. If they are interested in this they are to see me for a permission form. You are also invited to come and be a part of Adore for 24 and to fill in our after school hours.

Kind regards
Mr Martin Perrett
APRE

**Library News**

**Book Fair**
Due to unforeseen circumstances, the planned Book Fair for next week has been cancelled. We thank you for your support of the Fair earlier this year and hope to bring you another exciting fair next year.

**Returns Process**
This term is perhaps the busiest one for the library! Retrieving all take-home readers, textbooks and library books becomes critically important as we get ready for end-of-year finalisation. All students will be given printed records of all their current loans and overdues in a systematic way this term. As usual, they will receive first, second and final reminders followed by a letter posted home and finally invoicing by the office failing return of overdues. Please note that no refunds can be given once invoiced, even if the books are found.

**Please note** Years 9-11 students do not need to return their laptop at the end of the term (it appears on their list for their information only). Year 12 students will be notified of the end-of-year laptop processes by the IT technician.

For your information, here are the dates when everything is due back this term:

**Friday 6th November** – Prep-Yr 6, Yr 10-12

**Friday 13th November** – Yr 7-9

I have informed students that it is very important to:
- notify library staff immediately if their books are lost or damaged.
- ensure they are returning the exact textbook they were given at the beginning of the year by checking the details recorded in their diaries.

We thank you for any support you can give us with the return of resources.

Yours in reading
Mrs Katie Mangan
Teacher Librarian

**Year 7 to Year 10 Teaching and Learning Leader News**

**Year 7 to Year 10 Assessment Calendars**
Assessment calendars will be distributed to Year 7 to Year 10 students during homeroom this week. Calendars will also be uploaded onto MySite for student convenience.

These calendars can be used as a useful study tool and are essential for students to stay up-to-date with important deadlines and to manage their assessment progression throughout the term.

Please don't hesitate to contact your child's homeroom teacher if you have not received one or require additional copies.
Homework Club News

Homework Club will resume in week 2 of Term 4 (Thursday, 13th October 2016).

Kind regards
Ms Sonia Robertson
Year 7 to Year 9 Student Wellbeing Leader

Music News

Approaching Events
- Friday, 14th October, 1pm to 3pm – Senior Music and Orchestra workshop with composer, Rob Davidson (Topology) – Please note time change!
- Thursday, 20th October at 6pm - Music Tuition Program Evening (Maryknoll Centre)
- Friday, 21st October at 7pm - Topology/The Australian Voices/SMCC production: “The Singing Politician” (Maryknoll Centre)
- Tuesday, 25th October, 6.15am – “Singin’ in the Rain” excursion (Year 10 and 11 Elective Music)
- Thursday, 27th October at 6pm - Annual Presentation Evening (Senior Vocal Ensemble, College Orchestra (not String Immersion, as previously stated)
- Thursday, 3rd November at 5.30pm - Annual Celebration of the Arts (Maryknoll Centre) (selected soloists, Senior Vocal Ensemble, Senior Primary Choir, College Orchestra, String Immersion, Year 10 Rock Band)
- Thursday, 26th January 2017 – South Burnett Regional Australia Day Awards Evening (Senior Primary Choir)

Topography and The Australian Voices! – ***Only 1 week to Go! Get Your Tickets Now!***
The Singing Politician is a fabulous professional QPAC-style show, full of political commentary communicated through amazing music. It is sure to be the basis for much discussion afterwards! Kingaroy concert-goers will have the rare chance to hear professional musicians from contemporary chamber group, Topology, as well as The Australian Voices (directed by Gordon Hamilton) - one of Australia’s only professional choirs. The performance of “The Singing Politician” will be held in the Maryknoll Centre on Friday 21 October, 7pm. The visiting musicians will be workshops student compositions this week as part of their ‘Top Up’ program in preparation for the combined Topology/TAV/SMCC Show. This is such a coup for a regional school of our size. Don’t miss out! You can book tickets at topologymusic.com or purchase them at the door on the night. Quote ‘CHOIR’ to receive a $10 discount on tickets.

Year 10 Music
The Year 10 Music class is preparing two songs to entertain the crowd at the annual Celebration of the Arts on Thursday 3 November at the Maryknoll. The group has been learning how to collaborate on a sizable music project, and their contribution to the project has formed part of their assessment in Term 3. This project has demonstrated to the class that, in a band, everyone is valued and all members contribute to the collective success of the performance.
**Music Tuition Program Evening – Thursday 20 October**

Thank you to all of the parents and carers who have sent in RSVPs to the Music Tuition Program Evening. If you are unsure if your son or daughter is involved in this event, please contact your child’s Music Tutor for clarification. As I assemble the program for the evening, I am reminded of the depth of student talent within the College, and the dedication of our Music Tutors to their students.

We have so much to celebrate in our Music Programs! Please support us as we give your children the opportunity to show all they have achieved over the past year.

Yours in music
Mrs Jane Iszlaub
Music Coordinator

**Tuckshop News**

**Friday Specials**
Available both Morning Tea and Lunch

- Mini Spring Rolls (4) - $3.50
- Pulled Pork and Gravy Rolls - $3.50

*Grainwaves are no longer available.*

*Price Rise: Frozen Jewels (grapes) are now $1.00 effective immediately.*

*Please note:* Due to supplier issues some stock will not be available for purchase. We will substitute where necessary.

Thank you for your understanding.

*** There are no pies or sausage rolls sold on Fridays ***

**Volunteers**
If you would like to volunteer in the tuckshop, you can do so by calling Monday, Wednesday and Friday to discuss how to volunteer.

Please ensure that you have the current 2016 Menu. If you have misplaced your menu, they are available from the College office.

**Donation of Goods**
If you are able to donate any of the following items during the year, it would be greatly appreciated. Below are the main ingredients we use, however, any donations are more than welcome.

- Self Raising Flour
- Desiccated Coconut
- Plain Flour
- Brown Sugar
- Caster Sugar
- Small Tinned Pineapple Slices
- Small Tinned Corn

These can be dropped into the tuckshop on Monday, Wednesday, Friday or to the College Office.

**Ordering and Payment**
We now have two options for ordering: online and the paper bag system. For Prep to Year 5 students it is recommended that you use either of these systems.

**Online Ordering System QKR (Quicker):** Your child’s online order will be sent to the tuckshop where it will be printed out. The orders are filled and placed in the class baskets. Their baskets are collected at morning tea and lunch. You are not required to send in a paper bag once you have ordered online.

**Paper Bag System:** Your child’s order will be placed in the tuckshop baskets in their classroom in the mornings. The baskets are delivered to the tuckshop and orders are filled. Their baskets are collected at morning tea and lunch. Please do not use sticky tape or staples when using paper bags for ordering. It makes it difficult to get the bags undone without tearing. Plastic bags are not suitable for ordering as it is very difficult to place your child’s order inside them. Bags can be purchased from the tuckshop for 0.05c each.
Year 6 to Year 12 students are more than welcome to use either system. If using the paper bag system, students place their bag orders at the tuckshop before school.

**Do you know...**
That you can now order online using QKR! QKR (Quicker) is an app that you can use on your phone, iPad or computer. If you would like assistance to use our online ordering system, call into the College office and see Briony Hoare or pop into the tuckshop and I will be able to assist you.

Have a great holiday!
Mrs Michelle Davis
Tuckshop Convenor
**Dates to Remember**

**Friday, 14th October**  
ASTI Graduation Mass  
Kingaroy Blue Light Disco

**Monday, 17th October**  
Pupil Free Day – No School

**Tuesday, 18th October**  
P&F Meeting 7.00pm

**Thursday, 20th October**  
Domestic Violence Presentation Year 11 & 12  
Music Tuition Program Evening 6pm

**Friday, 21st October**  
Whip Cracking Demonstration

**Monday, 24th October**  
Prep A Excursion

**Wednesday, 26th October**  
Immunisation Clinic  
Board Meeting 5.30pm

**Thursday, 27th October**  
Annual Awards Ceremony 6pm

**Monday, 31st October**  
Prep B Excursion

**Tuesday, 1st November**  
Whole School Assembly
