Dear parents, carers and friends of Saint Mary’s, I would like to begin by strongly encouraging all in our community to join us for our Combined Anniversary celebrations on Saturday, May 30. The evening begins at 6pm with our Combined Anniversaries Mass in the College’s Maryknoll Centre which will be followed by a night of entertainment, food stalls, coffee vans, a bar and memorabilia sales.

There will be a variety of wonderful winter-warmer meals on sale at the Combined Anniversary evening including: wood-fired pizzas, roasts, stews and curries, gourmet hot dogs and desserts. NB* all sales on the evening will be by cash. Only the photo booth will have EFTPOS facilities.

Our College’s P&F will be running the bar on the evening and also the BBQ at the Open Day on Sunday. Our College Board will be looking after memorabilia sales. Any parents who may be able to assist with these can contact the P&F President Susan Robertson on 0419 766 141 or College Board Chairperson Lee Moller on 0407 034 021.

The evening will feature live entertainment on two stages from after Mass until 11pm. Parents and carers are reminded that staff are not on duty for these events and that students need to be supervised by their parents or carers.

There will be an opportunity to purchase some great memorabilia across this weekend including:

- Balloons $1.00
- Ruler $1.00
- Lolly Bag $1.00
- Coloured Pencils $2.50
- Coffee Mug $10.00
- Tea Towel $10.00
- Bottle of Port $15.00
- Jubilee Magazine $25.00

Memorabilia sales and P&F bar sales will help to support our College community in its many new projects including the building of the new Multisports court. This court will hopefully begin construction in the upcoming school holidays and will feature: basketball, netball, tennis and volleyball courts.
It is wonderful to see so many students involved in events such as whip-cracking, netball, rugby league and FUTSAL events over the past week. I am very grateful to the staff, parents and students who have committed themselves to these many activities. As a College community, we are continually looking for new opportunities for our students to shine.

Yours in Christ

Prayer for Good Will

Keep us, O God, from all pettiness.

Let us be large in thought, in word, in deed.

Let us be done with fault-finding and leave off all self-seeking.

May we put away all pretence and meet each other face to face, without self-pity and without prejudice.

May we never be hasty in judgment, and always be generous.

Let us always take time for all things, and make us to grow calm, serene and gentle.

Teach us to put into action our better impulses, to be straight forward and unafraid.

Grant that we may realize that it is the little things of life that create differences, that in the big things of life, we are as one.

And, O Lord God, let us not forget to be kind.

Amen

Thank you

I wish to acknowledge and thank all within our community for their prayers and good wishes for a speedy recovery from my recent illness. It is lovely to know that so many people in our community care about my wellbeing and it is nice to be back at school, although it will take me a couple more weeks to recover completely.

God bless

**Laptop computers, the Holy Spirit, and Vatican II**

During last week, I had to speak to several students about misuse of their student laptop computers. When speaking to their parents, there was a sense of frustration about the interruption that new technology has bought to our lives and debate about the net losses and gains to our lives as a result of new technology.

Co-incidentally, our BCE Executive Director, Pam Betts, has written this week about the way in which people attending the Vatican II sessions in the mid 1960’s were grappling with the same topic, albeit well before the advent of personal computers. Ultimately, technology affects the "ongoing self-communication of God in our own age", and used in the right spirit, should unify the human condition.

Below is a section of the article this week from our Executive Director about this topic.

**Pentecost**

Next Sunday we celebrate the feast of Pentecost and as we approach this great feast I have been reflecting on what is perhaps a little known fact. Through my reading of a number of documents emanating from the second Vatican Council I have discovered that for more than a generation, ecclesial authorities have given unambiguous support to the new means of social communication and the ever-burgeoning information technologies, which the Church acknowledges as a true movement of the Holy Spirit.

They have long recognised these innovations as a charismatic breath of the Holy Spirit for the ongoing self-communication of God in our own age. The pivotal religious understanding of these technologies is their ability to unify the human community.

Pope John Paul II in anticipation of the third millennium declared that the Church could not prepare for it "in any other way than in the Holy Spirit. The Spirit, in fact, makes present in the Church of every time and place the unique revelation brought by Christ to humanity making it alive and active in the soul of each individual." (The Third Millennium no.44, p.69, St Pauls Publications, 1994)

Below I have endeavoured to paraphrase some of the profound and prophetic insights expressed in the Pontifical pastoral instruction Communio et Progressio - On the Means of Social Communication forty-four years ago. Without any possible sense of
knowing, they were realising the very best of outcomes for the future age of information technology, arguably beginning with the ‘germination’ of Microsoft only four years later in 1975.

- For the encouragement of social relations during our ‘pilgrimage’ on earth
- To serve to build new relationships
- Give the ability to fashion a new language enabling men and women to know themselves
- Provide better opportunities to understand one another more easily
- Allow humanity to be led to a mutual understanding and shared ambition
- Incline people to Justice and Peace - Good Will - Active Charity - Mutual Help - to love and in the end to communion.

How powerful are our means of social communication? May all our school communities pray in unity with the Spirit at Pentecost for such positive outcomes to emerge from our use of the communication tools available to us all.

Regards
Mr John Dalton

Interschool Futsal Shield – Calendar Clash
This Thursday we will send 7 teams to defend the shield we won last year against Kingaroy State High School. Unfortunately we will be down an U15 team because of a clash in dates with the Year 10 Science excursion. Please note the year 10 students on that excursion are not required at Futsal.

Pentecost and the Feast of Our Lady Help of Christians – Family Mass Sunday 24th May
This Sunday the Church celebrates Pentecost and the College is invited to take on various ministries in the celebration. It is a nice coincidence that our Family Mass falls on this day which is also the Feast Of Our Lady Help of Christians, the Patron Saint of our College, Parish, Dioceses and Country. Last month we had many students in the choir and 18 students in total involved in the Mass. This Sunday we welcome back the same students and invite anyone else to join us. To be part of the choir, please turn up at 9.20am for a brief practice for Mass at 10. It is amazing what Moya Hayden can do in 30 minutes.

Pentecost is 50 days after Easter and represents the birth of the Christian Church. Jesus’s followers, who were secretively meeting for fear of their lives, were gathered in one place and suddenly were overcome with a new found passion and desire to keep his story and message alive. Strangely everyone was speaking the same language, the story that was burnt in their hearts and minds of the man they came to know and love. United and resolved to spread the message this gathering was led by a force, the third person of the trinity, Jesus’ legacy, the Holy Spirit. The Holy Spirit is God’s presence and gift to the world.

Sacrament of Eucharist and Confirmation

Next week, at the celebration of the Trinity, several students will receive the sacraments of Eucharist and Confirmation. The students are Samuel Erwin, Samuel Perrett, Lachlan O’Kane, Angus McDonald, Austin Kelly and Kaitlyn Ritchie. They are also joined by two students from the parish, Tasmin and Jamaica and four students from Kumbia. Bishop Finnigan is celebrating the Mass with Father Nigel. It is timely because of the significance of the Holy Spirit in the Trinity and its proximity to Pentecost. More significantly it marks a time in these students’ lives when they have decided to commit their faith life and they are invited to join us at table, actively acknowledging they are part of a community of believers, nourished by, and part of, the Body of Christ. Please keep these students in your prayers and we congratulate them on this big decision.

College Fees Now Overdue
Reminder Fee Statements printed on green paper have been sent this week to families who have yet to pay their Term 2 Fees or who have not contacted the College to make a formal payment arrangement. If unable to pay fees in full immediately, please contact the College to organise an instalment plan and to prevent unnecessary fee follow up procedures. While the College will accept payments by instalments, we do need to know the amount and timing of these payments and it’s preferred that these instalments be done via Direct Debit or BPay.

2015 Premier’s Reading Challenge
Once again this year, I am delighted to help P-7 students participate in the 2015 Premier’s Reading Challenge.

As well as being fun, the challenge aims to boost children’s literacy skills by encouraging students to read widely for pleasure and learning, develop their imagination and cultivate a passion for literature.

Research shows that young people who read for pleasure excel in a range of learning activities. Reading widely will bring untold benefits throughout their lives.

The reading period for the 2015 Premier’s Reading Challenge at Saint Mary’s starts on Monday 18th May and closes Friday 28th August.

This year the Premier has challenged all state and non-state school students from Prep to Year 2 to read or experience 20 books, Years 3 and 4 to read 20 books and Years 5 to 7 to read 15 books. ‘Experiencing’ books can include shared reading, listening to stories, or reading picture books.

Students will have received a reading challenge record sheet and bookmark to help them keep track of the books they have read.

Every student who completes the challenge will receive a Certificate of Achievement signed by the Premier. It will be my great pleasure to present these certificates to students in Term 4.

For more information about Premier’s Reading Challenge, please visit: http://education.qld.gov.au/schools/readingchallenge/

You can play a big part in your children’s future by encouraging them to be part of this challenge.

Chess News

The SMCC chess competition was open to Years 3 -12 students. We had over 40 competitors this year. The competition was points based with students having the opportunity to play multiple games. Competitors enjoyed the opportunity to play others. Sixteen students were chosen to represent our College in the Maryborough Regional Competition on the 25th May.

Our winners:
Primary Champion – Cooper Pennell, Primary Runner-up – Tom Pennell
Secondary Champion – Jared Gossow, Secondary Runner-up – Chris Janz

Please return all permission forms to the office asap (if you haven’t done so already).

Year 7 to Year 12 Sports News
We had a great sports exchange with Gayndah last Thursday. The students really enjoyed the day. Our 13yr Rugby League team went down 30-12, the 15yrs team lost 32-18 but are steadily improving and our Netball girls won 24-12. All players showed sportsmanship -well done.

The next two weeks are very busy for sport. Our Netballers are competing in the Queensland Catholic Schools Cup in Brisbane and will report results when known. On Wednesday this week all our League teams and a netball team will play Kingaroy State High School. On Thursday our Futsal teams also play Kingaroy as well.

The South West futsal carnival (26th-29th May) is coming up and forms should be out this week. Also on the 29th is the primary winter sports gala day. Students have been put into teams for this day and all year 5 and 6 students will participate.

A big congratulations to Maddison Sansby on making the Wide Bay Soccer team-great work. Another student Thomas Currin has been selected in the South Burnett Rugby League team . Well done Thomas.

Congratulations to Bridget Reeve who was very close to making the Wide Bay Under 12 Netball team.

Indigenous News
I am so thrilled to have attended the Prep to Year 6 assembly in recent weeks and to see the large number of Indigenous students receiving Happy grams and Bee grams. These students were being recognised for the amazing work that they are doing in class with their spelling words, sight words and reading. Congratulations. Parents and carers might like to check their children’s bags for these certificates if you haven’t already seen them.

There is also much progress being made by students in the Intensive Literacy and Numeracy classes for the secondary students. The students are really becoming capable and competent in the skills being taught.

Many thanks for your continued support.

Visual Art News
Earlier this year the South Burnett Regional Council held a competition for Artworks based around the 100 year celebrations for ANZAC Day. The theme was ‘The Australian Light Horse’. St Mary’s students from years 10 -12 entered a range of pieces into the exhibition and took out all of the places for the Youth Section. Highly commended went to Hannah Depper, Jessica Barron, Kassi MacLaren and first place went to Erin Newman. Well done girls!

**Our Eisteddfod Achievers**

Thanks to all of the families who emailed me their children's achievements at the recent Kingaroy Eisteddfod. It takes hours of effort and dedication to prepare for a formal, competitive performance. I would like to shine the spotlight on the following young musicians who received excellent results, including -

Anekah Hinchliff (Yr 9):
- Popular Song - 13 & 14 years - 2nd place
- Own Choice Song - 13 & 14 years - 3rd place

In addition, Anekah participated in the Dance section of the Eisteddfod, and received seven placings as a soloist and member of various groups.

Ashleigh Reinbott (Yr 11):
- Popular Vocal Solo 15 to 18 years – 2nd
- Jazz Vocal Solo 15 to 18 years – 1st
- Musical Comedy, Stage production or Film Vocal Solo 15 to 18 years – 1st
- Own Choice Vocal Solo 15 to 18 years – 4th
- Vocal Duet 15 to 18 years – 1st
- Open Small Choir (5-15 voices) – 1st

Ashleigh was also the winner of the Ann Butwell Trophy (Senior Vocal Champion), as well as the Kingaroy & District RSL Memorial & Citizens Club Inc Trophy for best Vocal Duet.

Flynn O'Connor (Yr 5):
- Piano Solo AMEB Grade 1 – 1st

Ben Nicholson (Yr 10):
- Piano Duet (with Millie Garlick, also Yr 10) 15 – 18 years – 1st
- Baroque, Classical or Romantic Piano Solo AMEB Grade 1 - 1st

Lydia Ford (Yr 10):
- Own Choice Instrumental Solo (clarinet) 13 & 14 – 1st

Lydia Penny (Yr 9):
- Music Comedy Vocal Solo 13 & 14 years - 2nd
- Popular Vocal Solo 13 & 14 – 3rd
- Folk Song Solo 13 & 14 – 2nd

On behalf of the College, I congratulate you on your achievement, and also acknowledge the consistent support of your families and teachers. Well done, everyone! I am happy to publish student successes in the newsletter – AMEB exam results, other Music Eisteddfod results, etc. – so please email them to me.
Senior Girls' Vocal Ensemble
On Thursday, 15 girls produced the most beautiful sound as we rehearsed the "Agnus Dei" (from the "Mass for Many Nations" by Rupert Lang) for the upcoming Anniversary Mass. I am hoping to have as many of our Senior Girls' Vocal Ensemble members in attendance at this special event as we possibly can. As per the letter circulating currently, singers should arrive no later than 5:45pm for a 6:00pm performance on Saturday 30 May. With an expected congregation of possibly 1000 past and present St Mary's community members, the girls are certain to play a very special role in our evening of worship. All girls in Years 9 -12 are eligible to join this group; notes are available from Mrs Rutley.

Junior School Choir
Also performing at the Anniversary Mass, the new Junior School Choir is so well-prepared for their performance that most members can already sing their song from memory! All students from Years 3 - 6 are encouraged to attend and add their voices to our celebrations. All children have received notes, and families are asked to get their response forms back as soon as possible. As an added bonus, food and drink stalls, and live music will be on-site after the Mass, so there is no need to cook dinner if your family attends!

Open Day Soloists
I have asked several of our young musicians to play a song (or three) in front of the Music display between 10am and 2pm on Sunday 31 May. Parents of further eager performers are welcome to contact me, and I will be glad to add their son or daughter to the schedule.

Saint Mary's Orchestra
I have had a great response to the concept of a performing ensemble for our advanced players. Should any students have missed the Orchestra Information Letter, a few copies are available from Mrs Rutley in the Office. I will distribute copies of "Advance Australia Fair" and "Happy" this week. First rehearsal will be held on Monday from 3:05 - 4:30pm.

Music Assessment
All Secondary school students will have WRITTEN and PRACTICAL assessment in the next two weeks. The Year 10's have been busily honing their piano skills, and I have included a couple of photos of them, hard at work.

Have an enjoyable week,
Mrs Jane Iszlaub
Music Coordinator

Friday Specials
Morning Tea and Lunch - Cheese and Bacon Pizza Roundas $3.50
Lunch Only - Mac'n'Cheese $3.50

There are no party pies or sausage rolls on a Friday.

Volunteers
Friday, 22nd May - Amanda Hetherington

Donation of Goods
If you are able to donate self raising flour, caster sugar, small tins of corn and crushed tomatoes would be greatly appreciated. These can be dropped into the tuckshop on Monday, Wednesday, Friday or to the College Office.

Menu Options
We no longer stock orange juice. Options available are Orange and Mango and Orange and Passionfruit in the small and large sizes.

Ordering and Payment
Prep to Year 5 students it is recommended that you use the paper bag ordering system. Your child's order can be placed in the tuckshop baskets in their classroom in the mornings and this is then delivered to the tuckshop. Orders will be filled and returned to the classes at morning tea and lunch and this will ensure that they will have their lunch on time.

If possible please do not use staples when using paper bags for ordering. It makes it difficult to get the bags undone without tearing.
Please refrain from sending in $50 notes to the tuckshop. Change is not always available for an amount this size.

If you order a slush puppy please make sure that your child is aware that they have to collect it from the Tuckshop as it cannot be put in the tuckshop baskets with their orders.

Re Principal Performance Review

All those in Senior Management positions in Brisbane Catholic Education, participate in regular performance review processes to assist in their professional development planning. Mr Michael Nayler is undertaking such a review during Term 2 and 3 this year.

As a component of this process, a confidential on-line survey is being conducted by Simons & Associates (trading as Ardjuna), an independent survey company.

On 22nd May, a sample of families selected across various year levels will receive an invitation to participate in this survey. The invitation will be emailed directly to families by Ardjuna, appearing as “automail@ardjuna.com”. This survey will be conducted over a two week period.

Community consultation is highly valued and I thank you in advance for your participation.

Yours sincerely

STEAM Residential

STEAM Powered – Residential Programme
Stuartholme School together with Clearing Skies present the STEAM Residential Programme, a three day residential for gifted girls who are currently in Years 5 and 6.

The Residential aims to offer high ability students an intensive programme of learning in the STEAM areas: Science, Technology, Engineering, the Arts and Maths. Gifted girls will have an opportunity to learn alongside students with similar abilities and interests. Girls will have fun, learning with others who think like them. They will be encouraged to talk about issues that are important to learning, thriving and becoming the best they can be.

Pathways to Resilience

Community Presentation Monday, 25th May at 6.30pm at Kingaroy State High School
The Pathways To Resilience Trust is a charitable organization established with the specific purpose of promoting and emotional learning and resilience in children, adolescents and families. The P2R Trust Team aims to assist in the prevention of anxiety, depression and youth suicide through education, mental health promotion and advocacy in schools and communities.

The Kingaroy State High School P&C has been fortunate to obtain funding from the South Burnett Mayor’s Community Benefit Fund to bring the P2R Trust Team to Kingaroy State High School on May, 25th and 26th 2015.

The P2R Team will work with staff, students and interested community members and will present sessions on topics which will assist with creating resilient schools and resilient learners. The P2R vision “is to see an Australia where young people and their families, regardless of location and background, are resilient, socially and emotionally competent and happy”. A vision shared by many members of the South Burnett community.

The FREE Community Presentation will take place at 6.30pm Monday, 25th May at the Kingaroy State High School Assembly Hall.

All parents, caregivers and interested community members are strongly encouraged to attend this presentation to enable you to further assist the young people in your life to grow in productive and healthy ways.

Prep A Sugar Gliders Classroom News

Prep Sugar Gliders have made a gliding start to Term 2! The students have been enjoying continuing to learning their sounds and letters as well as developing their concepts of print. Students have started the Take Home Reader Program as well as making their own readers for Homework; some illustrations have been very interesting! We have enjoyed being involved in the many activities such as the Cross Country, Environmental Litter Talks with our Bunya Family the Whiptail Wallabies. A few weeks ago we attended our first Friday morning Mass with our Year 6 Buddies. The Sugar Gliders lifted the roof with their delightful opening song.
