Dear parents, carers and friends of Saint Mary's,

This week, I attended the vigil celebration and funeral Mass for Sr Dolores (Dolly) Carroll, our first secondary Principal. It was wonderful to hear just how special Saint Mary's was to Sr Dolly. My newsletter article and prayer, the articles sent to the South Burnett Times and Online media and the naming of the Sr Dolores Carroll Trade Training Centre all got a mention. It was also a great honour to have been asked to join past students Cathy Jackson (BCE’s North Director) & Kay Dove as Sr Dolly’s pall bearers.

Another ex-student, Dennis Watt, now the General Manager of Rugby League for NewsCorp, spoke at Sr Dolly’s vigil celebration about the incredible difference that she had made to other’s lives throughout her life and even during her twilight years, by continuing to serve the people in her nursing home, despite being older than most of them.

Thinking about Sr Dolly’s example, I would like to begin by sharing a beautiful reflection from the St Vincent de Paul website called A Pebble by James W. Foley:

Drop a pebble in the water: just a splash, and it is gone;  
But there’s half-a-hundred ripples circling on and on and on,  
Spreading, spreading from the centre, flowing on out to the sea.  
And there is no way of telling where the end is going to be.

Drop a pebble in the water: in a minute you forget;  
But there’s little waves a-flowing, and there’s ripples circling yet,  
And those little waves a-flowing to a great big wave have grown;  
You’ve disturbed a mighty river just by dropping in a stone.

Drop an unkind word, or careless: in a minute it is gone;  
But there’s half-a-hundred ripples circling on and on and on.  
They keep spreading, spreading, spreading from the centre as they go,  
And there is no way to stop them, once you’ve started them to flow.

Drop an unkind word, or careless: in a minute you forget;  
But there’s little waves a-flowing, and there’s ripples circling yet,  
And perhaps in some sad heart a mighty wave of tears you’ve stirred,  
And disturbed a life was happy ere you dropped that unkind word.

Drop a word of cheer and kindness: just a flash and it is gone;  
But there’s half-a-hundred ripples circling on and on and on,  
Bearing hope and joy and comfort on each splashing, dashing wave  
Till you wouldn’t believe the volume of the one kind word you gave.

Last Friday, it was wonderful to watch our Whip Cracking team showing off our country culture with such pride on Channel 7’s Sunrise program. I was extremely proud of our students both for this and for their performance at the Ekka Whip Cracking competition. At the end of the broadcast, it was lovely to hear the Sunrise team say just how impressive our students are. It is something that I will never take for granted, our Saint Mary’s students are some of the most talented and well-grounded students I have met across nearly 30 years in education. I would like to thank Mrs Arrell, Mr Erwin and all of the parent supporters who went along to support our team.
On Saturday morning, I also had the great pleasure of experiencing our talented choir performing at the Mary MacKillop Mass at St Stephen's Cathedral. Our choir performed beautifully as part of the Combined Catholic Schools choir. I would like to thank Ms Iszlaub and Ms Woodruff for preparing and accompanying our students and Mr and Mrs Erwin and Mr Scanlan who also came along to support our students.

Mary MacKillop Mass
On Saturday morning Ms Iszlaub, Miss Woodruff, Mr Nayler, Mrs Erwin and nine of our students attended the Blessed Mary MacKillop Mass at St Stephen’s Cathedral, Brisbane. It was a delight to see Saint Mary’s represented in the all schools choir. Next weekend Ms Iszlaub will attend the combined Catholic Schools Music Festival in Brisbane. Congratulations to all involved in promotion of The Arts.

Uniform Regulations
Students are reminded to wear the correct formal uniform during winter. Senior students are to wear jersey’s on Thursday only. QISSN or representative sport jumpers are not to be worn. Some students have incorrect shoes at present. Shoes must be plain black leather or vinyl.

I would also like to remind female students that nose piercing is not acceptable at our College. Regulations also state that one earring is to be worn in each lower ear lobe. Multiple piercings are unacceptable.

God bless
Mr Sean Erwin
Deputy Principal

APA News
Please note the following arrangements for Year 11 and 12 students affected by both the QCS Test practice, and the QCS Test.

(A) Tuesday 18th August and Wednesday 19th August (QCS Practice)

Year 12 Students: (18/08/15 and 19/08/15)
It is essential that all OP eligible Year 12 students are in attendance on these days.

Non OP eligible Year 12 students have a number of options on these two days:
- They may negotiate with Traineeship host employers for additional days in the workplace.
- They may attend the College and take part in timetabled lessons that are combined with Year 11 students or are altered for supervised study lessons.
- TAFE and other Certificate I, II, and III material may be worked on at home.

Year 11 Students: (18/08/15 and 19/08/15)
There will be regular Year 11 classes on these days, and so all Year 11 students are to be in attendance or at traineeship venues as normal.

(B) Tuesday 1st Sept and Wednesday 2nd Sept (QCS Test)

Year 12 Students: (01/09/15 and 02/09/15)

Non OP eligible Year 12 students have a number of options on these two days:
- They may negotiate with Traineeship host employers for additional days in the workplace.
- TAFE and other Certificate I, II, and III material may be worked on at home.
- Students not eligible for an OP score and not sitting the QCS Test must NOT attend the College on this day, as there are no lessons scheduled for them.
Year 11 Students: (01/09/15 and 02/09/15)

All Year 11 students (including those with traineeships and TAFE courses) are required to attend a two day Leadership Camp at Camp Duckadang during these two days. Attendance is important, for it is at this event that the foundations for 2016 senior aspirations are formed, and students come to understand the College Student Leadership process.

After this camp, the process of determining College Captains, members of the SRC, and other leadership positions begins. More information about this camp will be coming to students in the near future.

Sleeping Rough – Vinnies Winter Sleepout

There are three categories of homelessness acknowledged by our government;

Primary homelessness: people who live without conventional shelter, such as people living on the streets, in cars or under buildings.

Secondary homelessness: people who move frequently from one form of temporary shelter to another such as boarding houses or emergency accommodation shelters.

Tertiary homelessness: people who live in boarding arrangements for more than three months. These people are deemed homeless because the accommodation is below a minimum standard for long term residence.

At this point it is important to introduce the notion that one can also live in conventional shelter like a house but not feel part of a home. I propose that homelessness is as much about emotional and relational displacement as it is about being without a roof. How many people would you know who live alone or live in very strained, dangerous or neglectful relationships? Homelessness is rife in many communities including ours and has crippling long term effects on the individual.

Next Friday night join your child or children and come along to our Vinnies Winter Sleepout. We will hear from our Youth Contact, Miss Emili Peters, a representative of the State and Regional branch who has some good Powerpoints and YouTube clips to share and some shelter building activities for us to work on with our kids. We will also have members of our South Burnett conference coming to share a bit of their story and their work. The night will finish with a movie for all. There will be a light meal and hot drinks available for dinner and breakfast.

If a family was apprehensive about staying the night but want to be involved or contribute in some way, please feel free to come and take part in all the activities and leave when it suits.

We ask that all participants pay $10 which will be a straight donation to the State Branch. If families would like to contribute more or gain sponsorship that will be welcomed too. This week a letter explaining the details of money collection and what to bring on the night will go out to all students via their homeroom teachers.
I look forward to experiencing this with my children and anyone who can come and hope that the initiative will raise a greater awareness of this scourge on society.

Regards

Mr Martin Perrett

Term 3 Fees now overdue

A reminder that unless you have a formalised instalment payment arrangement in place with the College that your Term 3 account was due for payment by last Friday, 7th August. While the College will accept payments by instalments, we do need to know the amount and timing of these payments. It’s preferred that these instalments be done via Direct Debits or BPAY. If you have not already done so, please contact Briony Hoare, Finance Secretary, with details of your planned instalments to prevent unnecessary fee follow up procedures.

Scary Media: Does It Hurt?

There are many ways in which quite young children can be exposed to scary screen media. It’s quite common to see very young children at violent and scary M classified movies. It’s not unusual for commercial television stations to insert unexpected, frightening and violent trailers or program promotions into G or PG family TV programs. Middle primary-aged boys often play MA15+ violent, or horror computer games.

Does all or any of this exposure matter, does it affect children’s development, or is it all just a bit of entertainment?

Longtime researcher into scary media and impacts on children, Professor Emerita Joanne Cantor says it can hurt. She reports that:

A recent meta-analysis combining many studies (Pearce & Field, 2015) confirms that scary media’s impact on children is consistently negative, and that children under the age of ten are especially vulnerable to experiencing troublesome fears. Research since the dawn of movies has shown that a majority of children are affected at some time in their lives, and the effects often include symptoms like free-floating anxiety, obsessive thoughts, severe nightmares, sleep problems, and the avoidance of normal, safe activities that remind the child of the frightening episode. Some of these effects are relatively short-lived, but others can last for years” (e.g. Harrison & Cantor, 1999).

Cantor advises that it is extremely difficult to explain away fears that have been produced by intense visual images. Her advice is that “Watching or hearing about a ‘happy ending’ is unlikely to help, and an ounce of prevention is probably worth a ton of cure. It’s wise to protect children from inadvertently being exposed to scary media. And policies that help parents protect their children are not only worthwhile; they’re essential to children’s healthy development.”

Research tells us that children differ in terms of their levels of sensitivity, and what will be scary depends strongly on the age of the child. Predictably scary content should be restricted during times where children will be viewing in high numbers. Further, parents need and deserve accurate and useful information about the content that is shown. It’s high time Australia had a classification scheme that reflected the research and provided more detailed information about age-appropriateness for parents of children under the age of 15 years. This might go some way to providing better protections from scary and violent content.

Book Week 2015

In Week 7 this term (24th-28th August), we will once again celebrate Book Week! The theme is “Books light up our World.” We will have a Book Week Parade (Wednesday 26th August) where students can come dressed as their favourite book characters. They will need to bring their book to the parade to share in reading afterwards. We will also have a Campfire Stories night (Wednesday 26th August) at 6.30pm – 7.30pm. In previous years, this has been a wonderful night for young and old in their pyjamas and gowns! This year, we will add onesies to the dress code. All are welcome! During this week, there will be competitions, displays, guest reading and many other exciting activities.

Middle School Assessment Task Sheets
I have spoken with Middle School students at the assembly last week about the importance of completing the requirements of the task sheets they are given for assessments. Many students are failing to complete requirements e.g. adhering to a word limit, adding references, introductions, illustrations etc. Students are highly recommended to use a highlighter for due dates, conditions and requirements. Also, students have been reminded that task sheets need to be kept safely and handed in with assessments on the due dates.

Our Spectacular Singers!
On Saturday, seven of our students travelled to Brisbane to participate in a very special event. The following is an excerpt from yesterday’s media release from Pam Betts, our Executive Director of Brisbane Catholic Education:

“There was standing room only in St Stephen’s Cathedral on Saturday morning as we gathered with the Sisters of St Joseph to celebrate the Feast Day of St Mary of the Cross Mackillop. Archbishop Mark Coleridge welcomed the recently appointed Apostolic Nuncio in Australia, His Excellency Archbishop Adolfo Tito Yllana. It was Archbishop Yllana’s first official visit to the Archdiocese of Brisbane.

Congratulations to all our students who were part of our combined schools choir which provided such a beautiful vocal accompaniment for the Mass celebrating the Solemnity of St Mary of the Cross Mackillop. Students and teachers from many of our schools were involved in the Mass as readers, singers, musicians, the offertory procession and presentations to the Nuncio and the Sisters of St Joseph. To all those who contributed to the planning and preparation and who attended on Saturday, my sincere thanks. I particularly extend our thanks to Anthony Young from St Laurence’s College for his work in preparation with our singers and musicians and for conducting the choir on Saturday. It was a wonderful celebration of a great pioneer of Catholic education and of our nation’s first saint.”

Congratulations to Grace McFarlane, Ernie Corbet, Lydia Ford, Brie Wilson, Millie Garlick, Ally Labinsky, and Naomi Baldacchino for being selected to perform in such an important BCE celebration. As an added bonus, our students were invited to play on the Cathedral’s beautiful pipe organ and grand piano, which was a fantastic unexpected experience.

Junior and Senior Orchestras
To allow more students to be involved in our growing Orchestral Program, we will now offer Junior Orchestra (Tuesdays 7:40-8:40am) and Senior Orchestra (Mondays 3:00-4:30pm). I encourage all string, wind and brass students to get involved in these valuable musical ensembles.

Visiting Choir and Vocal Specialist
Date Claimer – The Gap Stale High School Chorale will be visiting the College on Friday 16 – Sunday 18 October. Their conductor, Kathryn Morton, is a Speech Pathologist, and singer, and will hold a workshop as part of their visit. College singers – please mark this date in your diaries.

The day started off early with an interview with the Sunrise Team - Kochie, Sam, Nat and Simon. Nat and Kochie managed to learn how to crack a whip, Sam wasn’t so sure of the technique and Simon appeared hesitant when Louisa cracked a piece of straw from his hand. The crew was impressed with the teams good country manners and whip cracking skill. The competition kicked off at 9am and went through to 2.30pm with Awards and Presentations at 3pm. Totally Wild crew continued their filming of the team performing at the EKKA. After the event the students enjoyed the atmosphere of the day as well as visiting side show alley, the sample bag pavilion and the night show. Many thanks to all the students, families and staff who supported the day. A big thankyou to Mr Paul Sims for his ‘expertise’, enthusiasm in coordinating such a successful event.

**Friday Specials**
Morning Tea and Lunch - Chicken Chippees (5) - $3.50
Lunch - Potato Bake - $3.50
There are no party pies or sausage rolls on a Friday.

**Donation of Goods**
If you are able to donate any of the following items, it would be greatly appreciated.
Self Raising Flour
Caster Sugar
Beef Stock Powder
Small Tinned Pineapple
Small Tinned Corn
Tinned Whole Beets

These can be dropped into the Tuckshop on Monday, Wednesday, Friday or to the College Office.

**Price Increase**
Fandangles ice creams will be $1.60 from Term 3 onwards.

**Ordering and Payment**
For Prep to Year 5 students it is recommended that you use the paper bag system. Your child’s order can be place in the tuckshop baskets in their classroom in the mornings and this is then delivered to the tuckshop. Orders will be filled and returned to the classes at morning tea and lunch. This will ensure that they will have their lunch on time. Please do not use sticky tape or staples when using paper bags for ordering. It makes it difficult to get the bags undone without tearing. Plastic bags are not suitable for ordering, it is very difficult to place your child’s order inside them. Bags can be purchased from the tuckshop for .05c each.

The paper bag ordering system is for Prep to Year 5 as well as High School. The high school students place their bag orders at the tuckshop before school.

**Slush Puppies**
Please make sure your child is aware that if they order a slush puppie, they must collect them from the tuckshop. They are not able to be put into the tuckshop baskets.

On Monday, 10th August the Tuckshop will be closed for the Public Holiday and will reopen on Wednesday, 12th August.

If you wish to volunteer at the Tuckshop please contact the college office on 4162 2011. Even if you can only donate a few hours in the morning, it would be greatly appreciated.

"Hospitality Careers Again"
Year 5/6 Classroom News

What a wonderful way to kick off the new school term with 2nd place for our “Disney vs Dreamworks Dance Battle” in our division for Rock on Stage. A wonderful effort from all students, congratulations!

The EKKA kicked off last week which also meant that our Whip Crackers were down there ready to represent our school and community. Congratulations to Kate, Julian, Tom, Cooper P, Milly, Angus and Nicholas who all performed to the absolute best of their abilities. They all had a fantastic time and unanimously agreed it was a wonderful experience, with a few of them even getting to meet the Sunrise team!

This week is also an exciting week for many of our students representing our school in various activities. Well done to Taylor, Nicholas, Blake and Shylani who are participating in the South Burnett Athletics competition, as well as Tom, Cooper P, Rosie and Olivia heading to Bundaberg for an interschool Chess competition. Jorja and Kate also continue to participate in the Under 13 Futsal team. Following on from their great performance in the ICAS English Competition, Nicholas and Rosie as well as the addition of Jorja and Tom, are representing their respective year levels in the ICAS Mathematics competition. Congratulations to these students, all of whom I am positive would display excellent persistence and sportsmanship.

In addition to these wonderful feats, all students within our class have tirelessly been practicing and improving their handwriting. This has ultimately resulted in many of our students receiving their pen licences. Congratulations to Skye, Isaac, Olivia, Blake, Jorja, Khyla, Holly, Taylor and Angus who have earned their Open Pen Licences, as well as Rosie, Nicholas, Shylani, Ally, Kate, Julian, Jason and Cooper M their Green P Plates, and Cooper P, Tom, Milly, Kane and Max their Red P Plates. Everyone’s handwriting has improved immensely this year and I look forward to more students earning their Open Pen Licences.

If the first four weeks are anything to go on, I can’t wait to see what the remainder of the year has in store for us!
